

Léa DATIN

DIGITAL PROJECT MANAGER

WORK EXPERIENCE

Digital Marketing Project Manager

Saint-Gobain / 2024-2026 (Work-Study Program)

- End-to-end management and personalized follow-up of 12 international teams: kick-off meetings, regular check-ins (weekly during critical periods) and country-by-country priority management
- Creation of all project materials: guides, training documents, frameworks, calendars — tailored to each market
- KPI tracking and reporting by country (Google Analytics, Excel dashboards) to measure progress and platform adoption
- Platform evolution validation: needs analysis, compatibility check across all countries, feedback collection and final sign-off

Marketing & Communication

Cora / 2023-2024 (Work-Study Program)

- Organized and managed internal and external events
- Designed marketing materials and communication visuals

Community Manager

Jacques Laveine Immo / 2022 (Work-Study Program)

- Created digital content for social media platforms and newsletters.
- Managed online communication to improve visibility and engagement.

PROJECTS & INVOLVEMENT

Co-founder – PUNCH

Developed a mobile application concept, built marketing strategy and pitch for competitions.

360idcom (project manager)

Coordinated student initiatives and contributed to entrepreneurial challenges.

Rowing Coach

Organized training sessions and supervised young athletes.
